mBIT Coach Certification

The latest scientific research shows you have complex, adaptive and fully functional neural networks or 'brains' in your heart, your gut and your head.

Why become a Certified mBIT Coach?

- Do you have clients who sometimes suffer from conflict between their thoughts, feelings and actions?
- Find your clients not acting upon or sabotaging their dreams, goals or plans?
- Do your clients have trouble making decisions or stopping unwanted behaviours or habits and don't know why?
- Or do they sometimes feel like something is missing and that they're not fully connected with their deepest inner self?

Take your coaching to new levels..... with Beth Nurnberger

A highly sought after facilitator and well-respected coach, Beth uses her extensive human development and business knowledge to work with subtle precision when facilitating, consulting and coaching. Knowing what her clients want, Beth will pull out ALL stops to make sure that outcome is achieved.

When your clients experience these in their life or behaviour, it's time to empower them using the deeply integrative mBIT processes you'll be trained in during this workshop...

YOU WILL LEARN TO REPATTERN HOW OUR BRAINS WORK TOGETHER TO SUPPORT AND ENHANCE LIFE SUCCESS.

Why do this training now?

- Become one of the leaders in this newly emerging and exciting field
- Stand out and differentiate yourself in your marketplace
- Massively boost your coaching effectiveness by learning to facilitate all three of your client's intelligences
- Learn to tap into the power of your client's innate intuition and the wisdom of their heart and gut brains
- Learn how mBIT can streamline your coaching processes to gain quicker, deeper and more generative results
- Gain access to a professional network and collaborative community of multiple brain coaches' that are working together to bring evolutionary change to the world

mBIT CERTIFIED COACHES CONTINUE TO REPORT THAT MBIT CREATES QUICKER AND MORE LASTING CHANGES AND IS AN ELEGANT AND POWERFUL ADJUNCT TO THEIR EXISTING TOOLKITS.
